Theme

The main theme of the 2nd PAEPI Biennial Conference (20th PAEPI Founding Anniversary) is “Implementation of Research-Based Extension Program Towards Attainment of MDGS cum Advocacy on Magna Carta for Extension Service Workers” with the following objectives:
1. Discuss best extension practice in various disciplines that contributed to MDG accomplishments;
2. Involve and engage extension practitioners in policy advocacy on Magna Carta for extension workers;
3. Reinforce and support development partnership among extension stakeholders, and;
4. Recognize outstanding extension development initiatives of various institutions.
