

MAAP Hailed as Over-all Champion in 27th National Physics Olympics

Last 6-9th of April 2016, there were 7 midshipmen and 2 instructors of the Maritime Academy of Asia and the Pacific who worked as a team and participated on the 38th Annual National Physics Seminar- Workshop Convention, 27th National Physics Olympics and 22nd National Physics Fair held at Central Mindanao University, Musuan, Bukidnon.

In the College Category, composed of 33 colleges and universities, the team was able to garner the following awards and recognitions:

- 3rd Place- Large Barge Competition
- 2nd Place- Super Magnet Competition
- 1st Place- Water Rocket Competition
- 1st Place- Bridge Building Competition
- 1st Place- Egg Drop Competition
- 1st Place- Egg Transport Competition
- 1st Place- Paper Tower Competition

In the Professional Category, composed of 46 high schools, colleges, and universities, the team was able to garner the following awards and recognitions:

- 3rd Place- Super Magnet Competition
- 2nd Place- Egg Transport Competition
- 2nd Place- Egg Drop Competition
- 1st Place- Water Rocket Competition
- 1st Place- Bridge Building Competition

The team was composed of:

- Midn. 1cl Sean Christopher Lentze
- Midn. 1cl Noriz Anthony Ramis
- Midn. 2cl Earl John Celino
- Midn. 3cl Andre' Chad C Acosta
- Midn. 4cl Jasper Clemena
- Midn. 4cl Louie Salilo
- Midn. 4cl Nem Savilla

The advisers and coaches were 3/E Erdy Aganus and Dr. Jose Barlis Jr.

Moreover, 1cl Lentze and 2cl Celino participated in the Investigatory Project Category. Likewise, they were among others who presented for research work.

At the end of the event, the Maritime Academy of Asia and the Pacific was declared the Overall Champion for the College Category and Overall First Place for the Professional Category of the 27th National Physics Olympics.

On the previous year of the said Physics Olympics held at the University of Northern Philippines, Vigan City, Ilocos Sur, MAAP was declared as 2nd Place Over-all. The awards and recognitions were:

- 1st Place- Egg Transport Competition
- 1st Place- Egg Drop Competition
- 2nd Place- Super Magnet Competition

The team was composed of:

- 4cl Andre' Chad Acosta
- 4cl Jeremy Matthew Javellana
- 4cl Jasper San Jose

The advisers and coaches were 3/E Erdy Aganus and Dr. Jose Barlis Jr.
